### **PATIENT CONSENT FORM**

***Temple Hills Medical Centre requires your consent to collect personal information about you. Please read this consent form carefully, tick the applicable boxes, and sign where indicated below.***

***This Medical Practice collects information for the primary purpose of providing quality health care. We require you to provide us with your personal details and a full medical history so that we may properly assess, diagnose, treat and be proactive in your health care needs.***

I give my permission for my personal health information to be used for administrative purposes to assist in the running of Temple Hills Medical Centre, including disclosure to others involved in my healthcare, such as treating doctors and specialists within and outside this Medical Practice. (This may occur through referrals to other doctors and specialists, or for medical tests and in the reports or results returned to my doctor following referrals.)

I give my consent for disclosure for research and quality assurance activities to improve individual, community health care and Practice management. (This may occur when the Practice incorporates patient health records into de-identifiable patient information to transfer to a third party, normally used for quality improvement projects. De-identifiable patient information cannot be traced back to the individual.)

I give my consent for my personal health records to be used for identifiable patient health information. (This may occur when the Practice participates in research activities on behalf of a university as part of professional development activities. Identifiable patient information can possibly be traced back to the individual.)

I give my consent to the presence of a third party to be present during my consultation. (This may include a Practice Nurse or medical student.)

I give my consent to be part of the Practice's National, State and Territory recall and reminder systems.

I understand that by ticking the relevant boxes above that the Practice is authorized on my behalf to use my personal health information and I am free to withdraw my consent at any time by verbal or written notification.
